Community-Based Agencies working with challenged, under-represented and first-generation students understand that helping such students find the most appropriate higher education choice, getting accepted, and securing financial aid, are only HALF the challenge. Agencies engaged in seamless counseling continue to support such students, as needed, after enrollment and often throughout their college careers.

Attendance limited to the first 75 people to register.

A fee of \$75 includes light breakfast and lunch, and a registration binder with relevant information and the work of the presenting programs.
